

Confrérie de la Chaîne des Rôtisseurs Bailliage de l'Alberta à Calgary

January 12, 2012

Dear Chaîne Member;

I hope that you all enjoyed the holiday season with your family and friends. We had a wonderful variety of events in 2011 and the calendar for 2012 is looking very exciting as well. Watch the web site for the most current version of the calendar, we will be hosting events in a variety of hotels, clubs, restaurants and resorts.

There has been a new system developed that will modernize our payment collection; this new system will allow you to pay your annual dues and your dinners online. Dues will be sent to you via email with an invoice attached, we would greatly appreciate it if you would pay your annual dues upon receipt. In past years council members have spent countless hours sending and resending invoices, reminding people of deadlines and then in some cases unfortunately collecting for overdue fees. We hope to eliminate this by providing you a convenient way to pay the invoice. When paying online you will receive an email from Zone4 indicating that your payment was successfully received. If you don't get that confirmation the payment was not complete.

Dues will be sent to you in early February, you will notice a slight increase for 2012, this is due to an increase in international dues and to support our new payment system. The local bailliage is subsidizing the payment system by an equal amount for 2012.

We look forward to seeing you at the upcoming events. Please watch for information on an exciting opportunity for young servers, cooks or bakers working in Chaîne establishments.

Regards,

Cindy Findlay
