

L'ORDRE MONDIAL DES GOURMETS DÉGUSTATEURS

2008-07-17

Good Morning All

I am pleased to announce that Canada's representative in the Jeunes Sommelier competition in Vienna in October will be Lianne Castravelli of the Beaver Club in Montreal. Lianne represented Canada last year and was an outstanding competitor, coming second. She was a personable and first class representative for our country at that competition.
